

Wheat Shows Stronger, but Closes at a Decline Again.

There is Lack of Influential Support

Wheat shows stronger, but closes at a decline again. There is lack of influential support...

Other Markets Follow Wheat Closely

Other markets follow wheat closely. Corn and provisions each declining, while others remain unchanged.

Chicago, Feb. 25.—The improved tone of Wall street was reflected by wheat for a time today and substantial advances over yesterday's closing prices were recorded.
